DESCRIPTION OF THE
AGENCY STOCK PURCHASE PLAN

The following is a description in question and answer form of the provisions of the Plan offered to selected independent insurance agencies of the Company, the Mutual Company and the Company's subsidiary and affiliated insurance companies (collectively, the "Companies"). "Subsidiary and affiliated insurance companies" are those insurance companies 50% or more of whose stock are owned by the Company or the Mutual Company or with which the Mutual Company has a management agreement. The Plan was approved by the Company's Board of Directors on July 20, 1995.

Purpose and Advantages of the Plan

1. What is the purpose of the Plan?

The Plan provides an Eligible Agency, as described in Question and Answer 6, an opportunity to acquire a long-term proprietary interest in the Company through the purchase of the Company's Common Stock at a discount from current market prices. In offering the Plan, the Company seeks to foster the common interests of the Company and its independent agencies in achieving long-term profitable growth for the Company. Accordingly, the Company has created the Plan for the purpose of facilitating the purchase of and long-term investment in shares of its Common Stock by an Eligible Agency. It is expected that an Eligible Agency that purchases shares under the Plan will hold such shares on a long-term basis, as the Plan is not intended to benefit an agency that demonstrates a pattern of immediate resale of shares acquired and, as discussed in Question and Answer 6 below regarding eligibility, such a pattern of conduct will be a factor in the Company's determination whether an otherwise Eligible Agency should remain eligible for continued participation in the Plan.

2. What are the advantages of the Plan?

Under the Plan, an Eligible Agency can utilize three convenient payment methods for the purchase of the Company's Common Stock at a 10% discount from the current market price of such shares. Purchases will also be made without paying any brokerage commissions or service charges.

Administration

3. Who administers the Plan for participants?

The Plan is administered by a committee (the "Committee") consisting of three persons appointed from time to time by the Company's Board of Directors. The Committee may from time to time adopt rules and regulations for carrying out the Plan. Any interpretation or construction of any provision of the Plan by the Committee is final and conclusive on all persons absent

contrary action by the Board of Directors. On July 20, 1995, the Company's Board of Directors appointed Donald H. Nikolaus, Ralph G. Spontak and Frank J. Wood to serve on the Committee. The address for each member of the Committee is c/o Donegal Group Inc., 1195 River Road, Marietta, PA 17547.

4. Where can I obtain additional information about the Plan and its administrators?

Additional information about the Plan and its administrators may be obtained by contacting Ralph G. Spontak, Senior Vice President, Chief Financial Officer and Secretary of the Company, at (717) 426-1931.

5. What is the term of the Plan?

The Plan will be in effect from September 15, 1996 through September 30, 2001 unless earlier terminated by the Board of Directors. The Board of Directors has the right to terminate the Plan at any time without notice provided that no participant's existing rights are adversely affected thereby. There will be ten semi-annual "Subscription Periods." Each Subscription Period will extend from October 1 through March 31 or from April 1 through September 30, respectively, beginning with October 1, 1996 and ending on September 30, 2001.

Participation

6. What agencies are eligible to participate?

Independent insurance agencies that bring value to the Companies, directly or indirectly, as determined by the Company in its discretion, and with which the Companies seek a long-term relationship are eligible (an "Eligible Agency") to participate in the Plan. The eligibility criteria the Company will consider will include the agency's premium volume, the potential growth of such premium volume, the profitability of the agency's business and whether the agency has been placed on rehabilitation by the Company or had its binding authority revoked. The Company, in its discretion, may base eligibility on agency segmentation class or any other factors that indicate value to the Companies, directly or indirectly. Continued eligibility will be subject to the Company's periodic review. A pattern of immediate resale of shares acquired under the Plan by an Eligible Agency will be a factor in the Company's determination whether an agency should remain eligible for continued participation in the Plan because immediate resales would tend to indicate that an agency is not seeking to share in the long-term profitable growth of the Companies. A decision by the Company, in its discretion, to discontinue the eligibility of an agency under the Plan will be treated as an automatic withdrawal from the Plan. See Questions and Answers 24 and 25 below.

7. How may an Eligible Agency participate in the Plan?

An Eligible Agency may enroll in the Plan by completing and filing a Subscription Agreement, as described in Question and Answer 8, with the Company. Subscription Agreements will

be sent to each Eligible Agency prior to the beginning of the first Enrollment Period following such agency's designation as an Eligible Agency.

8. What does a Subscription Agreement provide?

A Subscription Agreement allows each Eligible Agency to decide and identify the date on which the agency desires to become enrolled in the Plan, the amounts of contribution and the payment method(s) selected for purchases under the Plan.

9. When may an Eligible Agency enroll in the Plan?

If an Eligible Agency chooses the direct bill commission payment method, as explained in Question and Answer 15, enrollment in the Plan may occur only during the "Enrollment Period" preceding each Subscription Period, which is from the 15th through the 31st day of March or from the 15th through the 30th day of September of each year commencing on September 15, 1996. An Eligible Agency that desires to subscribe for the purchase of Common Stock through withholding from direct bill commissions must return a duly executed and completed Subscription Agreement during the first applicable Enrollment Period. Once enrolled in the direct bill commission payment method, an Eligible Agency's participation in the Plan continues for each succeeding Subscription Period until the agency ceases to be an Eligible Agency or withdraws from enrollment in the Plan. If an Eligible Agency chooses the lump-sum payment method, as explained in Question and Answer 17, an Eligible Agency may enroll by submitting a supplemental Subscription Agreement to the Company and making a lump-sum payment by the last day of the applicable Subscription Period, September 30 or March 31. If an Eligible Agency chooses the contingent commission payment method, as explained in Question and Answer 18, an Eligible Agency may enroll by submitting a Subscription Agreement during the Enrollment Period immediately preceding the October 1 through March 31 Subscription Period.

10. May an Eligible Agency transfer its subscription rights to another person or agency?

No. An Eligible Agency may not assign its subscription payments or rights to subscribe to any other person, and any such attempted assignment shall be void, except for permitted designations as described in Question and Answer 23.

Costs and Expenses

11. Are there any expenses to participants in connection with purchases under the Plan?

No. Eligible Agencies will not be obligated to pay any brokerage commissions or other charges with respect to the purchase of Common Stock under the Plan.

Purchases

12. What is the number of shares available to be purchased under the Plan?

The Board of Directors of the Company has reserved 300,000 shares of the Company's Common Stock for issuance under the Plan.

13. What is the price of shares of Common Stock purchased under the Plan?

The Subscription Price for each share of Common Stock purchased under the Plan will be 90% of the average of the closing prices of the Common Stock on the Nasdaq National Market on the last ten trading days of the applicable Subscription Period; provided, however, the Subscription Price shall never be less than the \$1.00 par value per share of Common Stock.

14. How may an Eligible Agency pay for shares purchased under the Plan?

The Subscription Price for shares purchased under the Plan is payable by participants by means of three payment methods: Direct bill commission deduction, lump-sum payment or contingent commission deduction.

15. What is the direct bill commission payment method?

Under the direct bill commission payment method, an Eligible Agency may elect to purchase Common Stock under the Plan through deductions from its monthly direct bill commission payment by designating that a minimum of 1% and up to a maximum of 10% of the Eligible Agency's monthly direct bill commission payments be withheld from the Eligible Agency's direct bill commission payments, subject to the total subscription limit under all payment methods of \$12,000 per Subscription Period. "Direct bill commission payments" means those commissions that are earned and actually available for payment in a monthly period to an Eligible Agency for personal and commercial direct bill policies after all offsetting debits and credits are applied, as determined solely from the Company's records.

16. May an Eligible Agency that chooses the direct bill commission payment method change the method or amount of contribution made or withheld under the Plan?

Yes. An Eligible Agency choosing the direct bill commission payment method may change the rate of contribution by filing a new Subscription Agreement with the Company during the Enrollment Period for the next Subscription Period. Such change will become effective during the next Subscription Period.

17. What is the lump-sum payment method?

Under the lump-sum payment method, an Eligible Agency may, by September 30 or March 31 of the applicable Subscription Period, elect to make lump-sum cash payments for the purchase of Common Stock under the Plan. Lump-sum cash payments may not be less than \$1,000 per

Subscription Period and are subject to the total subscription limit under all methods of \$12,000 per Subscription Period.

18. What is the contingent commission payment method?

During the Enrollment Period immediately preceding the October 1 through March 31 Subscription Period, an Eligible Agency may designate a percentage of the contingent commission payable to the participant under the terms of the applicable agency contingency plan (or its equivalent) to be withheld for the purchase of Common Stock under the Plan, subject to the total subscription limit under all payment methods of \$12,000 per Subscription Period.

19. Are there limitations on the amount of contributions or purchases that can be made?

Yes. During any one Subscription Period, the total allowable contributions for purchases from all payment methods (described in Question and Answer 15, 17 and 18 above) for each Eligible Agency may not exceed \$12,000. At the close of each Subscription Period, each agency's contributions from all payment methods will be totaled. If at any time throughout a Subscription Period, an Eligible Agency's total payments exceed the \$12,000 maximum amount and the agency so requests, the Company will return the excess amount without interest to the agency within a reasonable period. Any amount not returned will be applied to the purchase of Common Stock during the next Subscription Period without reducing the \$12,000 limitation applicable to such Subscription Period.

20. How are purchases made under the Plan?

The Company will maintain on its books an account (a "Plan Account") for each enrolled Eligible Agency. All contributions made by an Eligible Agency through deductions from an Eligible Agency's direct bill commission payments and contingent commission withholding and lump-sum payments during a Subscription Period, up to \$12,000, will be credited to the Eligible Agency's Plan Account. At the end of each Subscription Period, the amount credited to each Eligible Agency's Plan Account will be divided by the Subscription Price for such Subscription Period, and the Eligible Agency's Plan Account will be credited with the number of whole shares that results. Any amount remaining in the Plan Account will be carried forward to the next Subscription Period without reducing the \$12,000 limitation applicable to such Subscription Period or, at the option of the Eligible Agency, returned to the Eligible Agency. If the number of shares subscribed for during any Subscription Period exceeds the number of shares available for sale under the Plan, the remaining available shares will be allocated among the participating Eligible Agencies in proportion to their aggregate Plan Accounts balances, exclusive of any amount carried forward from a previous Subscription Period.

Shares; Certificates for Shares

21. May an Eligible Agency transfer, pledge, hypothecate or assign shares credited to the agency's Plan Account?

Neither an Eligible Agency's subscription rights under the Plan nor shares credited to the Eligible Agency's Plan Account may be transferred, pledged, hypothecated or assigned, subject except for permitted designations as described in Question and Answer 23.

22. Are stock certificates issued for shares of Common Stock purchased?

Stock certificates will be issued and delivered to each Eligible Agency with respect to the shares it has purchased under the Plan within a reasonable time thereafter.

23. In whose name are accounts maintained and certificates registered when issued?

Accounts in the Plan will be maintained in the name of the Eligible Agency. Consequently, certificates when issued for full shares will be registered in the same name. An Eligible Agency may, upon written request to the Company, (a) designate that shares be issued to a shareholder, partner, other principal or other licensed employee of such Eligible Agency or (b) designate that any retirement plan maintained by or for the benefit of such Eligible Agency or a shareholder, partner, other principal or other licensed employee of such Eligible Agency may purchase shares in lieu of such Eligible Agency through lump-sum payments made by the designee, subject to the maximum amount limitation of \$12,000, compliance with applicable laws, including the Employee Retirement Income Security Act of 1974, as amended, payment by the Eligible Agency or its designee of any applicable transfer taxes and satisfaction of the Company's usual requirements for recognition of a transfer of the Company's Common Stock.

Withdrawal from the Plan

24. How and when may an Eligible Agency withdraw from the Plan?

An enrolled Eligible Agency may withdraw from the Plan at any time by giving written notice to the Company of the agency's desire to do so, signed on behalf of the Eligible Agency by an authorized representative. Termination of agency status for any reason will be treated as an automatic withdrawal. If an agency withdraws from the Plan, such agency may not resubscribe until after the next full Subscription Period has elapsed, and then only if it has been redesignated by the Company as an Eligible Agency.

25. What happens to any shares held in and amounts credited to an Eligible Agency's Plan Account at the time of withdrawal?

Promptly after the time of withdrawal or discontinuance of an Eligible Agency's eligibility, certificates representing the whole shares held under the Plan will be issued in the name of the

agency, and any amount credited to an Eligible Agency's Plan Account at the time of withdrawal will be refunded to the participant in cash without interest.

Other Information

26. What happens if the Company declares a stock split or stock dividend or changes or exchanges its Common Stock for shares of stock or other securities of its own or another corporation?

In the event that the outstanding shares of Common Stock of the Company are hereafter increased or decreased or changed into or exchanged for a different number or kind of shares or other securities of the Company, or of another corporation, by reason of reorganization, merger, consolidation, recapitalization, reclassification, stock split-up, stock dividend (either in shares of the Company's Common Stock or of another class of the Company's stock), spin-off or combination of shares, appropriate adjustments shall be made by the Committee in the aggregate number and kind of shares that are reserved for sale under the Plan.

27. What are the federal income tax consequences of participation by an Eligible Agency in the Plan?

At the time of purchase, and where an Eligible Agency will be purchasing shares of Common Stock in its own name, the Eligible Agency will be treated as having received ordinary income in an amount equal to the difference between the Subscription Price paid and the then fair market value of the Common Stock acquired. At the end of each calendar year, the Company will mail to each participating agency a Form 1099 reflecting the amount of ordinary income earned under the Plan. The Company is entitled to a deduction at the same time in a corresponding amount. The participating agency's basis in the Common Stock acquired is equal to the purchase price plus the amount of ordinary income recognized. When an agency disposes of shares of Common Stock acquired under the Plan, any amount received in excess of the value of the shares Common Stock on which the agency was previously taxed will be treated as a long-term or short-term capital gain, depending upon the holding period of the shares. If the amount received is less than that value, the loss will be treated as a long-term, or short-term capital loss, depending upon the holding period of the shares (which begins on the date after each share is acquired).

Each participating agency is strongly advised to consult with a tax advisor to determine the tax consequences of a given transaction, particularly if a taxpayer other than an Eligible Agency has been designated by the Eligible Agency to become a participant in the Plan.

28. May the Plan be changed or discontinued?

Yes. The Company's Board of Directors has the right to amend, modify or terminate the Plan at any time without notice as long as no participating agency's existing rights are adversely affected as a result of such amendment, modification or termination.

DESCRIPTION OF CAPITAL STOCK

The authorized Common Stock of the Company consists of 10,000,000 shares, \$1.00 par value per share. As of June 1, 1996, 4,412,944 shares of Common Stock were issued and outstanding. Each share of Common Stock is entitled to one vote. The shares of Common Stock do not have cumulative voting rights and, therefore, holders of more than 50% of the voting power of the Company are able to elect all directors entitled to be elected by the stockholders. The absence of cumulative voting and the Company's staggered board of directors, together with the ownership of more than a majority of the Company's Common Stock by the Mutual Company and insurance laws and regulations applicable to the acquisition of insurance holding companies could be expected to have the effect of delaying, averting or preventing a change in control of the Company and would probably prevent any change in control of the Company unless the Mutual Company was in favor of such a change. All the shares of Common Stock offered by the Company hereby, when issued, will, upon payment therefor, be fully paid and non-assessable. In the event of any liquidation, dissolution or winding-up of the Company, holders of Common Stock will be entitled to share ratably in the assets available for distribution, subject to the rights of any Preferred Stock which may be outstanding at the time. No holder of Common Stock has any preemptive rights. Holders of Common Stock have equal rights share for share, to receive dividends when and if declared by the Board of Directors. There can be no assurance that dividends will be declared in the future.

The transfer agent and registrar for the Company's Common Stock is First Chicago Trust Company of New York.

The Company also has authorized 1,000,000 shares of Preferred Stock issuable in series upon resolution of the Board of Directors. The Board of Directors is authorized to establish the relative terms, rights and other provisions of any such series of Preferred Stock. No Preferred Stock has been issued, and the Board of Directors does not intend to issue any Preferred Stock at the present time. The Board of Directors, without stockholder approval can issue Preferred Stock with voting and conversion rights which could adversely affect the voting power of the Common Stock. The issuance of Preferred Stock could be expected to, and may have the effect of, delaying, averting or preventing a change in control of the Company.

Delaware Law and Certain By-law Provisions

The Company is subject to the provisions of Section 203 of the Delaware General Corporation Law. In general, Section 203 prohibits a publicly-held Delaware corporation from engaging in a "business combination" with an "interested stockholder" for a period of three years after the date of the transaction in which the person became an interested stockholder, unless (i) prior to such date the board of directors of the corporation approved either the business combination or the transaction which resulted in the stockholder becoming an interested stockholder or (ii) upon consummation of the transaction which resulted in the stockholder becoming an interested stockholder, the interested stockholder owned at least 85% of the voting stock of the corporation outstanding at the time the transaction commenced (excluding, for determining the number of shares outstanding, (a) shares owned by persons who are directors or officers and (b)

employee stock plans, in certain instances) or (iii) on or subsequent to such date the business combination is approved by the board of directors and authorized at an annual or special meeting of stockholders by at least 66 2/3% of the outstanding voting stock that is not owned by the interested stockholder. The restrictions imposed by Section 203 will not apply to a corporation if (i) the corporation's original certificate of incorporation contains a provision expressly electing not to be governed by Section 203 or (ii) the corporation, by the action of its stockholders holding a majority of outstanding stock, adopts an amendment to its certificate of incorporation or by-laws expressly electing not to be governed by Section 203 (such amendment will not be effective until 12 months after adoption and will not apply to any business combination between such corporation and any person who became an interested stockholder of such corporation on or prior to such adoption).

The Company has not elected out of Section 203, and the restrictions imposed by Section 203 apply to the Company. Section 203 could, under certain circumstances, make it more difficult for a third party to gain control of the Company, deny stockholders the receipt of a premium on their Common Stock and have a depressive effect on the market price of the Common Stock. Section 203 defines a business combination to include: (i) any merger or consolidation involving the corporation and the interested stockholder, (ii) any sale, transfer, pledge or other disposition of 10% or more of the assets of the corporation involving the interested stockholder, (iii) subject to certain exceptions, any transaction that results in the issuance or transfer by the corporation of any stock of the corporation to the interested stockholder, (iv) any transaction involving the corporation that has the effect of increasing the proportionate share of the stock of any class or series of the corporation beneficially owned by the interested stockholder or (v) the receipt by the interested stockholder of the benefit of any loans, advances, guarantees, pledges or other financial benefits provided by or through the corporation. An "interested stockholder" is a person who, together with affiliates and associates, owns (or within the prior three years did own) 15% or more of the corporation's voting stock.

The Company's By-laws provide for a classified Board of Directors consisting of three classes as nearly equal in size as possible, with staggered three-year terms. The classification of the Board of Directors could have the effect of making it more difficult for a third party to acquire, or discouraging a third party from acquiring, control of the Company.

Limitation of Liability; Indemnification

As permitted by the Delaware General Corporation Law, the Company's Certificate of Incorporation provides that directors of the Company will not be personally liable to the Company or its stockholders for monetary damages for breach of fiduciary duty as a director, except for liability (i) for any breach of the director's duty of loyalty to the Company or its stockholders, (ii) acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) under Section 174 of the Delaware General Corporation Law, relating to prohibited dividends, distributions and repurchases or redemptions of stock or (iv) for any transaction from which the director derives an improper personal benefit. However, such limitation on liability would not apply to violations of the federal securities laws, nor does it limit the availability of non-monetary relief in any action or proceeding against a director. The By-laws

include provisions for indemnification of the Company's directors and officers to the fullest extent permitted by the Delaware General Corporation Law as now or hereinafter in effect. Insofar as indemnification for liabilities arising under the federal securities laws may be permitted to directors, officers and persons controlling the Company pursuant to the foregoing provisions, the Company has been informed that in the opinion of the Commission such indemnification is against public policy as expressed in such laws and is therefore unenforceable.

USE OF PROCEEDS

The proceeds to the Company from sales of Common Stock pursuant to the Plan will be used for general corporate purposes, including investment in and advances to the Company's subsidiaries.

Item 15. Indemnification of Directors and Officers.

Section 145 of the General Corporation Law of the State of Delaware empowers a Delaware corporation to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation) by reason of the fact that such person is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit or proceeding if such person acted in good faith and in a manner such person reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe such person's conduct was unlawful. The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon plea of nolo contendere or its equivalent, does not, of itself, create a presumption that the person did not act in good faith and in a manner which such person reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had reasonable cause to believe that such person's conduct was unlawful.

In the case of an action or suit by or in the right of the corporation to procure a judgment in its favor, Section 145 empowers a corporation to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by reason of the fact that such person is or was acting in any of the capacities set forth above against expenses (including attorneys' fees) actually and reasonably incurred by him in connection with the defense or settlement of such action or suit if such person acted in good faith and in a manner such person reasonably believed to be in or not opposed to the best interests of the corporation,

except that indemnification is not permitted in respect of any claim, issue or matter as to which such person is adjudged to be liable to the corporation unless and only to the extent that the Court of Chancery or the court in which such action or suit was brought determines upon application that, despite the adjudication of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which the Court of Chancery or such other court deems proper.

Section 145 further provides: that a Delaware corporation is required to indemnify a director, officer, employee or agent against expenses (including attorneys' fees) actually and reasonably incurred by such person in connection with any action, suit or proceeding or in defense of any claim, issue or matter therein as to which such person has been successful on the merits or otherwise; that indemnification provided for by Section 145 shall not be deemed exclusive of any other rights to which the indemnified party may be entitled; that indemnification provided for by Section 145 shall, unless otherwise provided when authorized or ratified, continue as to a person who has ceased to be a director, officer, employee or agent and shall inure to the benefit of such person's heirs, executors and administrators; and empowers the corporation to purchase and maintain insurance on behalf of a director or officer against any liability asserted against such person and incurred by such person in any such capacity or arising out of such person's status as such whether or not the corporation would have the power to indemnify such person against such liability under Section 145. A Delaware corporation may provide indemnification only as authorized in the specific case upon a determination that indemnification of the director, officer, employee or agent is proper in the circumstances because such person has met the applicable standard of conduct. Such determination is to be made (i) by the board of directors by a majority vote of a quorum consisting of directors who were not party to such action, suit or proceeding, or (ii) if such a quorum is not obtainable, or, even if obtainable, a quorum of disinterested directors so directs, by independent legal counsel in a written opinion or (iii) by the stockholders.

Article Five of the Company's By-laws provides for indemnification of directors and officers of the Company to the fullest extent permitted by the General Corporation Law of the State of Delaware, as presently or hereafter in effect. The By-laws of the Mutual Company also provide that the Mutual Company shall indemnify to the full extent authorized by law any director or officer of the Mutual Company who is made, or threatened to be made, a party to any action or proceeding, whether criminal, civil, administrative or investigative, by reason of the fact that such person is or was serving as a director, officer or employee of the Company at the request of the Mutual Company.

The Company provides liability insurance for directors and officers for certain losses arising from claims or charges made against them while acting in their capacities as directors or officers of the Company up to an aggregate of \$1,000,000 inclusive of defense costs, expenses and charges.

Additionally, as permitted by the General Corporation Law of the State of Delaware, Article Six of the Company's Certificate of Incorporation provides that no director of the Company shall incur personal liability to the Company or its stockholders for monetary damages for breach of such person's fiduciary duty as a director; provided, however, that the provision

does not eliminate or limit the liability of a director for (i) any breach of the director's duty of loyalty to the Company or its stockholders; (ii) acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law; (iii) the unlawful payment of dividends or unlawful purchase or redemption of stock under Section 174 of the General Corporation Law of the State of Delaware; or (iv) any transaction from which the director derived an improper personal benefit.

Item 17. Undertakings.

The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by section 10(a)(3) of the Securities Act of 1933 (the "Act");

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement.

(2) That, for the purpose of determining any liability under the Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination date of the offering.

The undersigned registrant hereby undertakes to deliver or cause to be delivered with the prospectus, to each person to whom the prospectus is sent or given, the latest annual report to security holders that is incorporated by reference in the prospectus and furnished pursuant to and meeting the requirements of Rule 14a-3 or Rule 14c-3 under the Securities Exchange Act of 1934; and, where interim financial information required to be presented by Article 3 of Regulation S-X are not set forth in the prospectus, to deliver, or cause to be delivered to each person to whom the prospectus is sent or given, the latest quarterly report that is specifically incorporated by reference in the prospectus to provide such interim financial information.

Insofar as indemnification for liabilities arising under the Act may be permitted to directors, officers and controlling persons of the registrant, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

SIGNATURES

Pursuant to the requirements of the Securities Act of 1933, the registrant certifies that it has reasonable grounds to believe and does believe that it meets all of the requirements for filing on Form S-2 and has duly caused this registration statement to be signed on its behalf by the undersigned, thereunto duly authorized, in Marietta, Pennsylvania, on June 25, 1996.

AGENCY STOCK PURCHASE PLAN

As adopted July 20, 1995

1. Purpose.

The Donegal Group Inc. Agency Stock Purchase Plan (this "Plan") has been established by Donegal Group Inc. (the "Company") for the benefit of eligible independent insurance agencies of the Company and Donegal Mutual Insurance Company (the "Mutual Company"), and the Company's subsidiary and affiliated insurance companies, which shall be those insurance companies 50% or more of whose stock is owned by the Company or the Mutual Company or with which the Mutual Company has a management agreement (collectively, the "Companies"). This Plan provides an Eligible Agency (as defined in Section 2) an opportunity to acquire a long-term proprietary interest in the Company through the purchase of the Company's Common Stock at a discount from current market prices. In offering this Plan, the Company seeks to foster the common interests of the Company and Eligible Agencies in achieving long-term profitable growth for the Company. Accordingly, the Company has created this Plan for the purpose of facilitating the purchase and long-term investment in shares of the Company's Common Stock by Eligible Agencies.

2. Eligible Agencies.

An agency designated as an Eligible Agency by the Company is thereafter eligible to participate in this Plan. An Eligible Agency shall be an agency that, as determined by the Company in its discretion, is an agency that brings value to the Companies and with which the Companies seek a long-term relationship. The eligibility criteria the Company will consider will include the agency's premium volume, the potential growth of such premium volume, the profitability of the agency's business and whether the agency has been placed on rehabilitation by the Company or had its binding authority revoked. The Company, in its discretion, may base eligibility on agency segmentation class or any other factors that indicate value, directly or indirectly, to the Companies. Continued eligibility will be subject to the Company's periodic review. A pattern of immediate resale of the Common Stock acquired under this Plan by an Eligible Agency shall be a factor in the Company's determination whether an agency should remain eligible for continued participation in this Plan because immediate resales would tend to indicate that an Eligible Agency is not seeking to share in the long-term profitable growth of the Companies. A decision by the Company, in its discretion, to discontinue the eligibility of an agency under this Plan, will be treated as an automatic withdrawal from this Plan. See Section 9 below.

3. Methods of Payment and Amount of Contribution.

There shall be three methods of payment to purchase shares of the Company's Common Stock under this Plan. Subject to the provisions of Section 11(b), an Eligible Agency may elect any of the payment methods individually or in combination. In each Subscription Period (as defined in Section 4) an Eligible Agency may contribute an aggregate maximum of \$12,000 toward the purchase of Common Stock under all payment methods combined (the "Maximum Amount"), subject to the limitations set forth below:

(a) An Eligible Agency may elect to purchase Common Stock through deductions from its monthly direct bill commission payments. Under this method, an Eligible Agency shall designate no less than 1% and no more than 10% of the Eligible Agency's direct bill commission payments to be withheld from the Eligible Agency's direct bill commission payments; provided, however, that no more than \$12,000 will be withheld by the Company from direct bill commission payments during each Subscription Period. Direct bill commission payments shall mean the commissions earned and that are actually available for payment in a monthly period to an Eligible Agency for personal and commercial direct bill policies after all offsetting debits and credits are applied, as determined solely from the Company's records.

(b) An Eligible Agency may elect to purchase Common Stock during each October 1 through March 31 Subscription Period through a deduction from the contingent commission, if any, payable to the Eligible Agency under the applicable agency contingent plan or its equivalent. Under this method, an Eligible Agency shall designate a percentage of the contingent commission to be withheld by the Company subject to the Maximum Amount.

(c) An Eligible Agency may elect to purchase Common Stock through lump-sum payments to the Company. Under this method, the Eligible Agency shall pay to the Company a dollar amount in a lump sum by the last day of the applicable Subscription Period (September 30 or March 31). The amount of the lump sum payment shall not be less than \$1,000 nor more than the Maximum Amount.

At the end of each Subscription Period, each Eligible Agency's direct bill commission payments, if any, shall be totalled and added to all lump-sum and/or contingent commission payments, if any, made by such agency. If at any time during a Subscription Period an Eligible Agency's total payments exceed the Maximum Amount for that Subscription Period then, upon request by the Eligible Agency, such excess amount shall be returned by the Company to the Eligible Agency without interest within a reasonable period. Any such amount not returned shall be applied to the purchase of Common Stock during the next Subscription Period without reducing the Maximum Amount applicable to such Subscription Period.

4. Duration of this Plan and Subscription Periods.

This Plan shall be in effect from September 15, 1996 through and including September 30, 2001. During the term of this Plan, there will be ten semi-annual "Subscription Periods." Each Subscription Period will extend from October 1 through March 31 or from April 1

through September 30, respectively, beginning with October 1, 1996 and ending on September 30, 2001.

5. Enrollment and Enrollment Periods.

Enrollment for participation in this Plan based on withholding from direct bill commissions shall take place in the "Enrollment Period" preceding each Subscription Period, which shall be from the 15th through 31st day of March and from the 15th through the 30th day of September of each year commencing with September 15, 1996. An Eligible Agency shall be sent a Subscription Agreement prior to the beginning of first Enrollment Period following such agency's designation as an Eligible Agency. An Eligible Agency that desires to subscribe for the purchase of Common Stock through withholding from direct bill commissions must return a duly executed and completed Subscription Agreement during the first applicable Enrollment Period. Once enrolled, an Eligible Agency shall continue to participate in this Plan for each succeeding Subscription Period until it ceases to be an Eligible Agency or chooses to withdraw from this Plan pursuant to Section 9. If an Eligible Agency desires to change its rate of contribution, it may do so effective for the next Subscription Period by filing a new Subscription Agreement during the Enrollment Period for the next Subscription Period. An Eligible Agency that wishes to make lump-sum purchases during a Subscription Period shall remit each lump-sum payment to the Company with a supplemental Subscription Agreement by the last day of the applicable Subscription Period (September 30 or March 31). An Eligible Agency that wishes to make a purchase during the October 1 through March 31 Subscription Period through designation of a portion of its contingent commission under the agency contingent plan shall file a Subscription Agreement during the Enrollment Period applicable to that Subscription Period.

6. Number of Shares To Be Offered.

The total number of shares to be made available under this Plan is 300,000 shares of Common Stock of the Company. In the event all 300,000 shares of Common Stock are purchased prior to the expiration of this Plan, this Plan may be terminated in accordance with Section 13 of this Plan.

7. Subscription Price.

The "Subscription Price" for each share of Common Stock shall be equal to 90% of the average of the closing prices of the Company's Common Stock on the Nasdaq Stock Market on the last ten trading days of the applicable Subscription Period; provided, however, that the Subscription Price shall never be less than \$1.00 per share.

8. Purchase of Shares.

The Company will maintain a "Plan Account" on behalf of each enrolled Eligible Agency. As of the last day of each Subscription Period, the aggregate amount deducted from the Eligible Agency's direct bill commission payments and contingent commission withholding and lump-sum payments, not to exceed the Maximum Amount permitted pursuant to Section 3 of this Plan from all three payment methods, shall be credited to the Eligible Agency's Plan Account. At such

time, the amount then contained in the Eligible Agency's Plan Account shall be divided by the Subscription Price for such Subscription Period and each Plan Account will be credited with the number of whole shares that results. Any amount remaining in the Plan Account will be carried forward to the next Subscription Period or, at the option of the Eligible Agency, returned to the Eligible Agency. Any amount so carried forward will not reduce the Maximum Amount applicable to such succeeding Subscription Period. If the number of shares subscribed for during any Subscription Period exceeds the number of shares available for sale under this Plan, the remaining shares shall be allocated among all Eligible Agencies in proportion to their aggregate Plan Account balances, exclusive of any amounts carried forward as provided in Sections 3 and 8 of this Plan. Stock certificates will be issued and delivered to each Eligible Agency with respect to the shares it has purchased hereunder within a reasonable time thereafter.

9. Withdrawal from this Plan.

An enrolled Eligible Agency may withdraw from this Plan at any time by giving written notice of withdrawal to the Company, which written notice shall be signed on behalf of the Eligible Agency by an authorized representative. Promptly after the time of withdrawal or the discontinuance of an Eligible Agency's eligibility, certificates representing any shares held under this Plan shall be issued in the name of the Eligible Agency and the amount of any cash credited to the Eligible Agency's Plan Account for the current Subscription Period shall be refunded by the Company without interest. If an Eligible Agency withdraws, such Eligible Agency may not resubscribe until after the next full Subscription Period has elapsed, and then only if it has been redesignated by the Company as an Eligible Agency.

10. Termination of Agency Status.

Termination of agency status for any reason shall be treated as an automatic withdrawal from this Plan pursuant to Section 9.

11. Assignment and Issuance of Shares.

Except as expressly permitted by this Section 11, no Eligible Agency may assign its subscription payments under this Plan or rights to subscribe under this Plan to any other person (including its shareholders, partners or other principals), and any attempted assignment shall be void. Neither an Eligible Agency's rights under this Plan nor shares held in an Eligible Agency's Plan Account may be transferred, pledged, hypothecated or assigned. All shares issued under this Plan shall be titled in the name of the Eligible Agency; provided, however, that an Eligible Agency may, upon written request to the Company: (a) designate that such shares be issued to a shareholder, partner, other principal or other licensed employee of such Eligible Agency, or (b) designate that any retirement plan maintained by or for the benefit of such Eligible Agency or a shareholder, partner, other principal or other licensed employee of such Eligible Agency may purchase shares in lieu of such Eligible Agency through lump-sum payments made by the designee, subject to the \$12,000 Maximum Amount limitation set forth in Section 3, compliance with applicable laws, including the Employee Retirement Income Security Act of

1974, as amended, and, if applicable, payment by the Eligible Agency or its designee of any applicable transfer taxes and satisfaction of the Company's usual requirements for recognition of a transfer of Common Stock of the Company.

12. Adjustment of and Changes in the Common Stock.

In the event that the outstanding shares of Common Stock of the Company are hereafter increased or decreased or changed into or exchanged for a different number or kind of shares or other securities of the Company, or of another corporation, by reason of reorganization, merger, consolidation, recapitalization, reclassification, stock split-up, stock dividend either in shares of the Company's Common Stock or of another class of the Company's stock, spin-off or combination of shares, appropriate adjustments shall be made by the Committee appointed pursuant to Section 14 of this Plan in the aggregate number and kind of shares that are reserved for sale under this Plan.

13. Amendment or Discontinuance of this Plan.

The Board of Directors of the Company shall have the right to amend, modify or terminate this Plan at any time without notice provided that no participant's existing rights are adversely affected thereby.

14. Administration.

This Plan shall be administered by a committee (the "Committee") consisting of three persons appointed from time to time by the Board of Directors of the Company. The Committee may from time to time adopt rules and regulations for carrying out this Plan. Interpretation or construction of any provision of this Plan by the Committee shall be final and conclusive on all persons absent contrary action by the Board of Directors.

15. Titles.

Titles are provided herein for convenience only and are not to serve as a basis for interpretation or construction of this Plan.

16. Applicable Law.

This Plan shall be construed, administered and governed in all respects under the laws of the Commonwealth of Pennsylvania and the United States of America.
